- Work in small teams in direct cooperation with partners and clients
- Insight into all M&A projects
- Great office in the heart of Hamburg with a view of the Alster
- Attractive, performance-oriented remuneration model with fixed and performance-related components

Your tasks:

- Creation of marketing documents for clients (teaser, information memorandum, etc.)
- Preparation and support of due diligence audits
- Preparation of transaction, company, market, and competition analyses
- Analysis and preparation of financial information
- Creation and analysis of business plans
- Carrying out business valuations
- Development of pitch and marketing presentations

Your profile:

- One to two years of relevant professional experience in the fields of M&A, transaction services, private equity/venture capital, management consulting or business/corporate development
- Degree in economics or comparable university studies
- Strong analytical and conceptual skills
- High degree of initiative, commitment, and motivation
- Business fluent in German and English
- Strong interest in digital economy and understanding of relevant business models
- Team player with high contact and communication skills

If you are interested, please send us your complete application documents (cover letter, CV, and certificates) by e-mail to Ms. Derya Torun (dt@parklane-capital.de).
